

HOW TO PAY FOR PARKING BY PHONE

1. Create an account with Parkmobile by downloading and installing the mobile app by visiting <http://us.parkmobile.com/en/everyone/mobile-app> or call the toll-free number (1-877-727-5932).
 - o Must provide license plate (can have multiple license plates associated with account).
 - o Must provide credit card information (Amex, Discover, Mastercard, VISA).
2. Pay by phone when purchasing parking by choosing length of time.
3. Normal parking charges apply, plus \$.35 convenience fee per transaction – including add time transactions.
4. All you need to register is: cell phone, credit card, and vehicle's license plate number. The smartphone application can save vehicle information, credit card numbers, and various parking zone locations.
5. **Optional and enabled by default**
 - o Parkmobile will send a text 15 minutes prior to the expiration of your paid parking. You may select to add more time through the app or return to your car on time.
