

# L.A. CANCER CHALLENGE

VIRTUAL 5K WALK/RUN

SUPPORT OR JOIN ME  
IN THE FIGHT TO  
CURE PANCREATIC CANCER!

Dear

On October 25th I'll be participating in the 23<sup>rd</sup> Annual LA Cancer Challenge Walk/Run benefiting pancreatic cancer research! Despite what is happening globally, I've committed to walking in support of the 57,600 who will be diagnosed with pancreatic cancer this year. It is important for me to raise funds to advance research and honor those who are and will battle this disease. Pancreatic cancer patients are being diagnosed every single day so I'm asking you to join me, near or far.

I am committed to the Hirshberg Foundation's relentless pursuit of a cure, but I need the help of my community to make an impact. Join me by registering today or making a donation in support of my efforts today! We have all been impacted by a cancer diagnosis. This is an opportunity to fight back on behalf of all cancer patients.

I hope to see your name on my team roster or donor list!

Sincerely,
